

#### Covid-19 Update – Amber Phase

We are pleased to announce we are now open for all your eyecare needs

We hope our patients have been keeping safe during the lockdown period, we look forward to welcoming you back to the practice over the coming months.

During the last few months we have been offering Essential care, as laid out by the Optical Governing Bodies and NHS England. Thank you to you anyone who has contacted us during this period for your patience, and understanding.

Whilst we have been offering a restricted service we have been working hard at the practice to introduce measures to keep our patients and staff safe when visiting us. Measures include

- Hand Sanitizer stations
- 2m Distance marking throughout
  - Screens by reception desk
  - New PPE procedures for staff
- Disinfection procedures for equipment and frames
- Staff training in Infection Control and Prevention

Appointments are required for ALL visits to the practice, this includes repairs and spectacle/contact lens collections. To arrange an appointment please contact the practice on 01270 505504, until 1<sup>st</sup> July the booking line will be available from 10 am to 3pm Monday to Friday, after which we will be back to normal practice opening hours

#### A few things to note about your visit

- The main entrance will be locked, please knock and someone will let you in..
  - All staff will be wearing PPE, for both staff and patient safety
  - Patients are asked to attend the practice wearing a mask
- Some procedures will be performed differently during the amber stage for safety reasons as per guidelines from our optical associations and NHS England

We look forward to seeing you soon

Sherratt Opticians

We take time to look after your eyes...
